## FEE APPLICATION

The Fee Examiner, Katherine Stadler (“**Fee Examiner**”), and Godfrey & Kahn, S.C. (“**Godfrey & Kahn**”), counsel to the Fee Examiner appointed in these cases (together, the “**Applicants**”) submit this *Eighth Consolidated Monthly and Eighth Interim Application of the Fee Examiner and Godfrey & Kahn., S.C., Counsel to the Fee Examiner, for Allowance of Compensation for Services Rendered and Reimbursement of Expenses for the Period from November 1, 2024 Through January 31, 2025* (the “**Fee Application**” or “**Application**”) under 11 U.S.C. §§ 330 and 331, Fed. R. Bankr. P. 2016, Local Rule 2016-2, and the U.S. Trustee Guidelines. Pursuant to the *Order Establishing Procedures for Interim Compensation and Reimbursement of Professionals* [D.I. 435] (the “**Interim Compensation Order**”), this Application requests interim allowance of compensation for professional services and reimbursement of actual and necessary expenses incurred from November 1, 2024 through January 31, 2025 (the “**Compensation Period**”).

The Applicants request Court approval of a total of \$405,220.50 in fees and \$5,610.52 in expenses. This total would, if expressed in terms of an hourly rate, reflect a blended hourly rate of \$645.34 for attorneys (including the Fee Examiner) and \$668.79 for all timekeepers. The Fee Examiner Order provided for an hourly rate of \$695.00 for the Fee Examiner, as set forth in the *Disinterestedness Declaration of Katherine Stadler in Conjunction with her Appointment as Fee Examiner* [D.I. 829]. The *Order Authorizing the Employment and Retention of Godfrey & Kahn, S.C. as Counsel to the Fee Examiner* [D.I. 1268] (the “**Godfrey & Kahn Retention Order**”), incorporating the engagement letter attached as Appendix C to the *Declaration of Mark W. Hancock in Conjunction with Godfrey & Kahn, S.C.’s Application for Appointment as Counsel to the Fee Examiner* [D.I. 1121], set forth the hourly rate schedule to be applied by Godfrey & Kahn for its representation of the Fee Examiner. Those disclosed rates—increased effective

January 1, 2024, as set forth in the *Notice of Annual Rate Increase of the Fee Examiner and Godfrey & Kahn, S.C. as Counsel to the Fee Examiner* [D.I. 4936] and increased effective January 1, 2025, as set forth in the *Notice of Annual Rate Increase of the Fee Examiner and Godfrey & Kahn, S.C. as Counsel to the Fee Examiner* [D.I. 28701]—are consistent with the rates disclosed in **Exhibit A** to this Application.

## **BACKGROUND**

1. On November 11 and November 14, 2023, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have continued to operate their businesses and manage their affairs as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.
2. On January 9, 2023, this Court entered the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [D.I. 435] (the “**Interim Compensation Order**”).
3. The Court entered the *Order (I) Appointing Fee Examiner and (II) Establishing Procedures for Consideration of Requested Fee Compensation and Reimbursement of Expenses* [D.I. 834] (the “**Fee Examiner Order**”) on March 8, 2023, appointing Katherine Stadler to execute the duties set forth in the Fee Examiner Order. Her duties include, among other things, reviewing, monitoring, and reporting on the fees and expenses incurred by Retained Professionals.<sup>6</sup> The Fee Examiner Order also authorized the Fee Examiner—with Court approval—to employ counsel to assist her in the course of her work.

---

<sup>6</sup> Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the Fee Examiner Order.

4. On April 12, 2023, the Court entered the Godfrey & Kahn Retention Order—effective as of February 17, 2023—to assist the Fee Examiner in fulfilling duties set forth in the Fee Examiner Order, including appearing for her and with her in proceedings before this Court.

5. On December 17, 2024, the Court entered the *Supplemental Order Expanding the Scope of the Fee Examiner's Duties with Respect to Certain Professionals* (D.I. 28868)—modifying the Fee Examiner's duties set forth in the Fee Examiner Order to include reviewing the final reimbursement requests of three investment bankers.

6. During the Compensation Period, the Fee Examiner and counsel negotiated stipulated reductions to twelve seventh interim fee applications (corresponding to the “**Seventh Interim Fee Period**,” May 1, 2024 through July 31, 2024), and reviewed twelve eighth interim fee applications (corresponding to the “**Eighth Interim Fee Period**,” August 1, 2024 through October 8, 2024) and one interim fee application corresponding to a prior interim fee period.

### THE APPLICANTS

7. Godfrey & Kahn, S.C. is a 180-lawyer Wisconsin-based law firm. The work on this case has been primarily performed by the Fee Examiner, Mark Hancock, Andy Dalton, Carla Andres, Leah Viola, Crystal Abbey, Ryan Larson, Julia Karajeh, Kathleen Boucher, and Angela Peterson.

8. The professional background and qualifications of the Fee Examiner and her counsel were set forth in detail in the *First Consolidated Monthly and First Interim Application of the Fee Examiner and Godfrey & Kahn, S.C., Counsel to the Fee Examiner, for Allowance of Compensation for Services Rendered and Reimbursement of Expenses for the Period from February 17, 2023 Through April 30, 2023* [D.I. 2518] (the “**First Interim Application**”) at ¶¶ 7-19 and are incorporated herein by reference.

## **DESCRIPTION OF SERVICES PROVIDED**

9. During the Compensation Period, the professionals of Godfrey & Kahn rendered a total of 605.9 hours of professional services and with this Application request an allowance of interim compensation of \$405,220.50. The blended hourly rate for the hours included in this Application is equal to \$668.79. Godfrey & Kahn maintains computerized time records in which timekeepers record, on a contemporaneous basis, the time for services rendered in this case.

10. During the Compensation Period, the Applicants negotiated stipulated reductions for twelve Seventh Interim Fee Period applications. The Applicants also reviewed twelve Eighth Interim Fee Period applications, along with one interim fee application corresponding to a prior interim fee period, and began drafting and issuing corresponding Letter Reports.

11. Consistent with the First through Sixth Interim Fee Periods, the Seventh Interim Fee Period fee review process began with the Applicant's data analysis, reviewing the applications for accuracy and quantitative inconsistencies. The Fee Examiner's attorneys then analyzed the applications line-by-line, assigning annotations or codes to each time entry potentially subject to question.

12. The results of the Seventh Interim Fee Period application analysis were ultimately distilled into detailed exhibits and summarized in confidential letter reports and comprehensive sets of exhibits ("Letter Reports") issued to Retained Professionals in October and November 2024. Consistent with the Fee Examiner Order, the letters raised questions, outlined concerns, and defined areas where the application of the Bankruptcy Code and Rules, the U.S. Trustee Guidelines, and Chapter 11 case law may suggest an adjustment to the fees sought.

13. The Applicants communicated with each Retained Professional regarding the fee applications and Letter Reports, sought additional explanations and supporting documentation

from many of them, and negotiated stipulated reductions with the Fee Examiner’s guidance and subject to her final approval.

14. On December 2, 2024, Godfrey & Kahn filed the *Fee Examiner’s Summary Report on Fee Review Process and Seventh Interim Fee Applications* [D.I. 28501] (the “**Seventh Summary Report**”), outlining observations about the Seventh Interim Fee Period applications and one interim fee application corresponding to a prior interim fee period, and recommending the approval of most of them, with stipulated adjustments.

15. Consistent with the schedule in the Fee Examiner Order and Interim Compensation Order, most Retained Professionals filed their Eighth Interim Fee Period applications around December 16, 2024. Applicants began the same review and analysis process for those Eighth Interim Fee Period applications and distilled those results into Letter Reports issued to Retained Professionals in January 2025.

16. The services for which Godfrey & Kahn requests compensation have been provided in 12 categories, summarized here.

17. Matters 006A-006U: Retained Professionals—Application Review and Reporting: \$354,970.00 (525.9 hours). In October 2024, prior to the Compensation Period, Godfrey & Kahn began issuing Letter Reports on Seventh Interim Fee Period applications. During the Compensation Period, Godfrey & Kahn continued issuing Letter Reports on Seventh Interim Fee Period Applications, negotiated stipulated reductions to those applications, then analyzed the Eighth Interim Fee Period applications of various professionals, consulted with the Fee Examiner about those analyses, and began issuing Eighth Interim Fee Period Letter Reports to the Retained Professionals in January 2025. The Applicants also issued a Letter Report on one professional’s interim application corresponding to a prior period.

24. Matter 0010: Database Maintenance: \$7,644.00 (9.8 hours). This task category encompasses Mr. Dalton's time to develop and maintain Godfrey & Kahn's fee analysis database and to develop analytical and reporting tools for use by reviewing attorneys.

25. Matter 0011: Docket Monitoring, Task Tracking, Distribution of Pertinent Filings: \$7,062.00 (17.8 hours). #### **REQUEST FOR APPROVAL OF COMPENSATION**

29. Interim compensation for professionals is governed by 11 U.S.C. §§ 330 and 331. The Court is authorized to grant "reasonable compensation for actual, necessary services rendered by the [professional person] and reimbursement for actual, necessary expenses."

30. The Applicants request that the Court approve this Fee Application, incorporating services and expenses incurred during the Compensation Period, because it has completed its assignments in a timely, efficient, and effective manner.

A. The services of the Applicants have provided direct benefit to the estate, both tangible and intangible, by saving amounts sought for professional services—whether inadvertently, improvidently, or inappropriately billed to the estates.

B. The services of the Applicants have assisted the Fee Examiner, the Court, and the U.S. Trustee in fulfilling their own responsibilities, and those same services have helped encourage the Retained Professionals to submit applications for compensation and reimbursement that meet the requirements of the Bankruptcy Code, the U.S. Trustee Guidelines and the local rules of the United States Bankruptcy Court for the District of Delaware.

C. All of the Fee Examiner's standards and guidelines applied to other Retained Professionals have also been applied to the Applicants.

31. The detailed time records, accompanying the Application as **Exhibit E**, reflect the Applicants' initial voluntary reductions including matters that, in the Applicants' judgment, may not be appropriate for billing to the estate. This includes time spent staffing, planning and establishing workflow, software and systems, developing internal billing categories and protocols, and reviewing third party or other case materials for general knowledge about this case but not necessarily related to a fee analysis task.

32. The fees and expenses recorded are in accordance with Godfrey & Kahn's existing billing practices and are consistent with the fee arrangement approved in the Godfrey & Kahn Retention Order. There is no agreement or understanding between the Applicants and any

other entity, other than the shareholders of Godfrey & Kahn, for the sharing of compensation to be received for the services rendered.

33. The Applicants respectfully maintain that the services provided were actual and necessary to the administration of the fee examination process in this case.

34. In reviewing whether a compensation request should be granted, under 11 U.S.C. § 330, the Court should be guided by the following factors:

[T]he nature, the extent, and the value of such services, taking into account all relevant factors, including—

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

35. The requested compensation and reimbursement meet the statutory requirements for allowance. The Applicants have completed their work in a manner commensurate with the complexity, importance, and nature of the issues involved. The projects were staffed by professionals and a paraprofessional with demonstrated skill in the bankruptcy and fee review context, and all work has been assigned consistently with the need to prevent unnecessary duplication and to ensure that work is performed by the least senior person competent to handle

the matter efficiently. Moreover, the requested compensation is reasonable because it is consistent with the customary compensation charged by comparably skilled professionals in the Applicants' market and paid by the Applicants' non-bankruptcy clients.

36. Accordingly, approval of the requested compensation is warranted.

**REQUEST FOR REIMBURSEMENT OF ACTUAL AND NECESSARY EXPENSES  
INCURRED DURING THE COMPENSATION PERIOD**

37. The Applicants incurred total expenses from November 1, 2024 through January 31, 2025, in the amount of \$5,610.52. **Exhibits C and F** contain the expense categories for which the Applicants seek reimbursement and the detailed expense records.

38. The expenses for which the Applicants seek reimbursement include only some of those routinely charged to the firm's clients. The Applicants are not making a profit on any expense incurred as a result of services provided by a third party and have made a reasonable estimate of the actual cost for expenses incurred for any services provided in-house.

39. The expenses are actual, reasonable and necessary in light of the scope of the Applicants' retention to aid in the administration of these cases.

**UST GUIDELINES QUESTIONNAIRE**

40. The following is provided in compliance with ¶ C.5 of the U.S. Trustee Guidelines:

**Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

**Response:** No.

**Question:** If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

**Response:** Not applicable. Actual fees sought in this Application are less than budgeted.

**Question:** Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

**Response:** No.
